Yamhill County

Count

Wednesday, January 30, 2013

Volunteer. Make it count.

Yamhill County is striving to **end homelessness** and to **better serve and assist those experiencing homelessness**. YCAP has taken the lead on implementing a Homeless Count every January by partnering with numerous volunteers and organizations to count people experiencing homelessness that day. This information is reported to the state and Housing and Urban Development to better assess any gaps in our social services and any progress from previous counts. Volunteer your time and help us make it count!

How can you help?

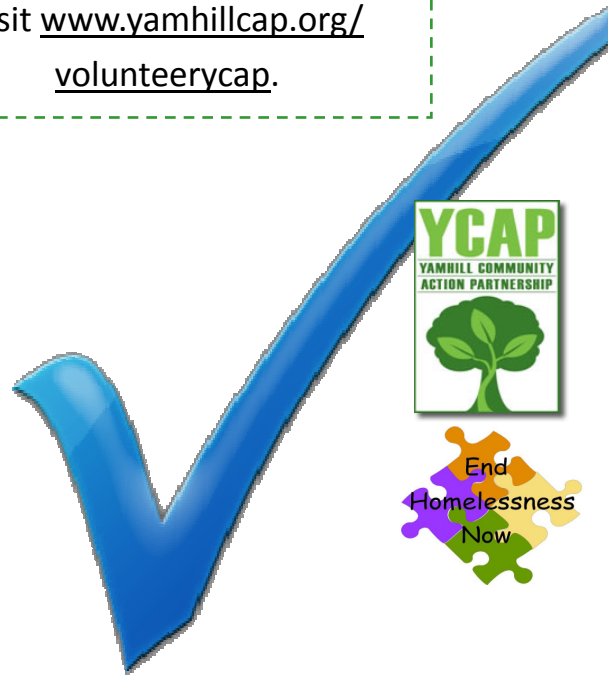

Volunteer opportunities:

- Street Teams
- Flyer Distribution
- Agency Donations
- Serve Meals
- Client Services Assistance

All volunteers are required to participate in a mandatory safety training for the Homeless Count.

For more information on the Homeless Count, contact Lindsay Combs at 503-883-4176 or LindsayC@yamhillcap.org.
