For the fifth year in a row, we invited children from our community to participate in the 17th Annual Fair Housing Council of Oregon Poster Contest with the theme

“Together We Make a Neighborhood”

The purpose of the annual FHCO poster contest is to increase awareness among young Oregonians of their civil rights…including their right to equal housing opportunity regardless of race, color, religion, national origin, sex, disability, or age. These workshops underscore the importance of both federal and state fair housing laws which protect everyone from unfair discrimination. Posters from across the state are judged in Portland…and winners are selected for originality, content, and craftsmanship.

Our local workshops have become an annual tradition. They provide a tremendous opportunity for kids to learn and express their creativity. The workshops were led by Bruce Sahagian with help from Angela Flores, Gudelia Garcia, Elise Hui, Mary Jacquez, Gabriel Solorzano, and Teresa Velazquez.
